

ULI Southeast Florida / Caribbean Announces New Chair Scott MacLaren

TUESDAY JULY 7, 2020

We welcome Scott MacLaren, President of Stiles, as the new District Council Chair of ULI SE Florida/Caribbean. As a ULI Full Member, ULI SE Florida/Caribbean Advisory Board Member, and Vision Awards committee member, Scott has been an active member of ULI for over 14 years.

Scott has been with Fort Lauderdale based Stiles, a full service commercial real estate company that includes development, construction, tenant project management, brokerage, property management, architecture, asset management, acquisitions, and financing since 1999.

He was promoted to President in 2016 and as a member of the company's executive leadership team, he is focused on day-to-day operations and overall strategy. He plays an integral role in driving Stiles' future pipeline of activity, including development, acquisitions, and third-party services. The company has developed more than 48 million square feet of office, industrial, retail and mixed-use properties as well as luxury residential communities throughout the Southeast.

Scott takes over from Greg West, CEO of ZOM Living, who served as our District Council Chair from July 2018 to June 2020. We thank Greg for his leadership over the last three years and welcome Scott as we begin this new chapter for ULI Southeast Florida/Caribbean!
